

Fairness will be ensured: IIMs

Staff Reporter

BANGALORE: The Indian Institutes of Management (IIMs) on Wednesday assured the candidates who have appeared for the Common Entrance Test (CAT) 2009 that “the outcome of the process on completion would be fair to all candidates.”

In a statement, the IIMs said: “We regret the inconvenience caused to candidates due to disruptions experienced in the conduct of the test, particularly in the first three days.”

The statement further said that they have put in place a process to identify and assess the impact of various types of disruptions noticed and reported during the entire testing period; these are being addressed to ensure fairness in testing.

The managements of the institutes said that most candidates completed the test successfully in the first slot allotted to them; of the candidates who could not complete the test successfully in the first slot allotted to them, most have already been accommodated in another slot to take the test.
